

COLLECTIONS

GOALS OF THE PROJECT

1. To learn information and gain knowledge about the specific collection the member is collecting
2. To be able to share the information and knowledge gained with others
 - Members will be required to exhibit a **Project Report Form** with their collection to share information and demonstrate their knowledge
3. Set individual goals for the collection, including expansion for the next year and into the extended future

DISPLAYING THE PROJECT

The project display should be:

- Neat
- Orderly
 - So all items of the collection can be seen
- Attractive

Members are encouraged to use their imagination when putting together their collection display
